

# MY ↗ REYNALDO → CHUA JR WORK PORTFOLIO

The projects showcased in this portfolio represent my (!)contributions as part of collaborative efforts. While I played a significant role in the design, development, and success of each project, they are the result of teamwork with other skilled professionals. My portfolio highlights the areas where my expertise in web development, UI/UX design, and e-commerce solutions made a meaningful impact.

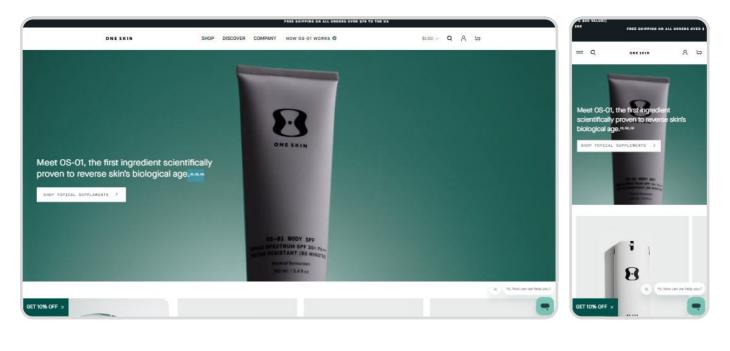

MUTHA C Mutha is an e-commerce store specializing in beauty products designed for mothers, catering to their unique needs and preferences. The brand focuses on empowering moms by offering high-quality, effective solutions to enhance their self-care routines.

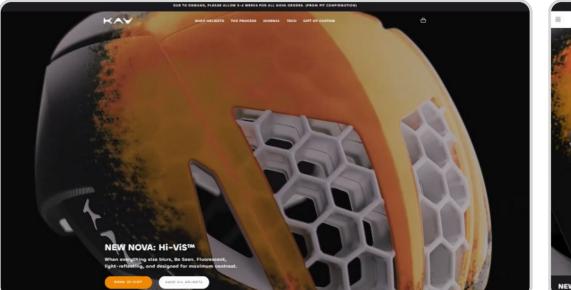

OneSkin is an e-commerce store specializing in skin care products. They started OneSkin to enhance how skin functions, so it stays healthier and more resilient as you age. They developed OS-01 – the first ingredient scientifically proven to reverse skin's biological age.
