

REYNALDO CHUA JR

Web Developer

ABOUT ME

Versatile Web Developer, UI/UX Designer, and Graphics Designer with expertise in creating dynamic websites and captivating visuals. Proficient in Shopify, WordPress, and Webflow for web development, skilled in Figma, HTML, CSS, and JavaScript for intuitive interfaces, and experienced in Adobe Illustrator, Photoshop, and InDesign for graphic design. Passionate about crafting user-focused digital experiences and delivering high-quality results across platforms.

WORK EXPERIENCE

Mata Technologies

Shopify Developer
Feb 2021 – June 2025

Develop, customize, and maintain Shopify stores. Provide customer support. Implement and customize Shopify apps and third-party integrations.

Infivex IT Solutions

Frontend Developer
Dec 2019 – Feb 2021

Design and implement website and web applications. Create a visually appealing, intuitive, and responsive user experience that functions seamlessly across various devices and browsers.

Lyanthe

Senior Graphic Designer
Jul 2014 – Dec 2019

Lead the design and creative efforts, shaping visual concepts that align with brand identity and project goals. Hands-on design work with leadership responsibilities, guiding a team and setting the direction for visual projects across multiple platforms.

Tesoros Printing Press

Graphic Designer
Oct 2009 – Jul 2014

Create designs for high-quality print materials such as Yearbooks, Newspapers and Posters. Working closely with clients and production staff in maintaining quality, satisfying client expectations.
